If the County determines in its sole and absolute discretion, through monitoring, audit, investigation, or review of fiscal records, that any disbursements made under this Contract are disallowed costs, the Service Provider shall be notified and given the opportunity to justify the questioned costs prior to the County's final determination of disallowed costs. If the County, in its sole and absolute discretion, determines that the costs are disallowed, reimbursement to the County of said amounts must be made within forty-five (45) days after official notification from the County. If said reimbursement is not made within the stated time, the County may withhold said amount from non-Federal funds that may be due or become due to the Service Provider. The resolution shall be executed in accordance with the Department's Procedures on Audit Resolution of August 9, 2005.

H. Independent Capacity

In the performance of the Contract, Service Provider, its agents and employees, shall act in an independent capacity and not as officers, employees, or agents of the County.

I. Service Provider Primary Contact

The Service Provider will designate an individual to serve as the primary point of contact for this Contract. Service Provider shall notify WDD when there is a change in the primary point of contact. Service Provider or designee must respond to County inquiries within two (2) County business days.

J. Change of Address

Service Provider shall notify the County, in writing, within ten (10) business days of any change in mailing address.

K. Contract Assignability

Without the prior written consent of the County, the Service Provider is prohibited from assigning or transferring the proprietorship of this contract to any other party either in whole or part.

L. Contract Amendments, Extensions and Waivers

Service Provider agrees that any alterations, variations, modifications, or waivers of provisions of the Contract shall be valid only when they have been reduced to writing, duly signed and attached to the original of the Contract, and approved by the required persons and organizations. WDD retains the option to amend the Contract, as necessary, in accordance with requirements contained in any future Federal or State legislation, regulations, or policy.

Subject to availability of continuing funding and to the Service Provider's meeting all performance and administrative requirements, the contract may be extended for an additional year. No waiver of any provision of this Contract shall be deemed, for any purpose, to be a waiver of any other provisions, or to be a continuing or subsequent waiver of the same provision.

M. Lawsuits

Service Provider understands and agrees that any and all legal fees or costs associated with lawsuits against the County concerning this Contract shall be the Service Provider's sole expense and shall not be charged as a cost under this Contract. In the event of any contract dispute hereunder, each party to this contract shall bear its own attorney's fees and costs regardless of who prevails in the outcome of the dispute.

N. Conflict of Interest

1. Service Provider shall make all reasonable efforts to ensure that no conflict of interest exists between its officers, employees, or sub-Service Providers and the County. Officers, employees, and agents of cities, counties, districts, and other local agencies are subject to applicable conflict of interest codes and State law. In the event that County determines that a conflict of interest situation exists, any increase in costs associated with the conflict of interest situation may be disallowed by County and such conflict may constitute grounds for termination of the Contract. Service Provider shall make a reasonable effort to prevent employees, consultants, or members of governing bodies from using their positions for purposes that are, or give the appearance of being, motivated by a desire for private gain for themselves or others such as those with whom they have family, business, or other ties.
2. The Service Provider assures that none of its directors, officers, employees, or agents shall participate in selecting, or administering any subcontract supported (in whole or in part) by Federal funds where such person is a director, officer, employee, or agent of the sub-Service Providers; or where such person knows or should have known that:
 - a. A member of such person's immediate family, partner, or organization has a financial interest in the subcontract; and
 - b. The sub-Service Provider is someone with whom such person has negotiated or is negotiating any prospective employment.
3. This provision shall not be construed to prohibit employment of persons with whom Service Provider's officers, employees, or agents have family, business, or other ties, so long as the employment of such persons does not result in increased costs over those associated with the employment of any other equally qualified applicant.
4. Officers or employees of the Service Provider will not solicit or accept money or any other consideration from a third person for the performance of an act reimbursed in whole, or in part, by the Service Provider or the County.
5. The Service Provider shall not subcontract with a former director, officer, or employee within a two (2) year period following the termination of the relationship between said person and the Service Provider.
6. When conducting business involving close personal friends and associates, executives and employees will be particularly aware of the varying degrees of influence that can be exerted by personal friends and associates and, when administering the Contract, will exercise due diligence to avoid situations which give rise to an assertion that favorable treatment is being granted to friends and associates.
7. Employment of, or representation by, former County administrative officers:
 - a. The Service Provider agrees to provide (or has already provided) information on former County of San Bernardino administrative officials (as defined below) who are employed by or represent Vendor. The information provided includes a list of former county administrative officials who terminated county employment within the last five (5) years and who are now officers, principals, partners, associates or members of the business. The information also includes the employment with or representation of the Service Provider. For purposes of this provision, "county administrative official" is defined as a member of the Board of Supervisors or such officer's staff, County Administrative Officer or member of such officer's staff, county department or group head, assistant department or group head, or any employee in the Exempt Group, Management Unit or Safety Management Unit.
 - b. If, during the course of the administration of this agreement, the County determines that the Service Provider has made a material misstatement or misrepresentation or that materially inaccurate information has been provided to the County, this contract may be immediately terminated. If this Contract is terminated according to this provision, the County is entitled to pursue any available legal remedies.
 - c. This Contract contains the entire agreement of the parties and supersedes all negotiations, verbal or otherwise, and any other Contract between the parties hereto. This Contract is not intended to and

will not be construed to create the relationship of agent, employee, partnership, joint venture, or association between the County, LWIB, and the Service Provider.

O. Nepotism

No individual, related by blood, adoption or marriage to any Service Provider executive, person in an administrative capacity, employee or volunteer, shall be allowed to enroll for services or training provided by the Service Provider.

P. Confidentiality

1. Service Provider shall require its officers, agents, employees, volunteers and any sub-Service Provider to comply with the provisions of WIA Section 136 (f)(3) and Section 444 of the General Education Provisions Act (20 U.S.C. 1232g) to assure that education records (or personally identifiable information contained therein) will be confidential and will not be open to examination for any person not directly connected with the administration, performance, compliance, monitoring or auditing of the services provided pursuant to this contract.
2. No person will publish or disclose, or use or permit, or cause to be published or disclosed or used, any confidential information pertaining to any applicant or recipient of services under this Contract.
3. Service Provider agrees to inform all sub-Service Providers, consultants, employees, agents and partners of the above provisions, and that any person knowingly and/or intentionally violating the provisions of this article is guilty of a misdemeanor.
